Amendments to the Claims

On May 27, 2004, Applicant filed an amendment to patent application in response to the Examiner's office action mailed January 27, 2004. On November 5, 2004, the Examiner mailed an office action stating that Applicant's reply was not fully responsive to the prior office action because the text of claims 12-14, which had been cancelled in the reply, was present. In this amendment, Applicant has provided a complete listing of the claims without the text of cancelled claims 12-14. Pursuant to MPEP 714.03, Applicant is submitting a corrected version of only that portion of the amendment which previously failed to comply with 37 CFR 1.121.

Applicant respectfully requests that the Examiner consider this supplemental amendment and Applicant's prior amendment mailed May 27, 2004 in response to the Examiner's office action mailed January 27, 2004.

Respectfully submitted,
